B. Tech (CSE)	2022	KITTEE	8.47	KIIT University

CERTIFICATE & TRAINING

Internship 1:

Project Name	Web Application for Online Food Ordering
Duration	2 months
Organization	Adobe Inc

Project Description:

➤ Developed a web application for online food ordering using HTML, CSS, JavaScript, and PHP. Collaborated with a team of developers to design and implement a user-friendly interface that allowed customers to browse menus, place orders, and make payments. Integrated the application with popular payment gateways such as PayPal and Stripe to ensure secure transactions. Conducted thorough testing and debugging to ensure that the application was functioning properly and free of errors. Overall, the project provided valuable experience in web development and working collaboratively with a team.

PROJECTS

Project 1:

Project Name	Daily water intake
Duration	1 month
Organization	KIIT University

Project Description: This project involves the development of a mobile app that helps users track their daily water intake and reminds them to drink more water. The app is designed to improve users' hydration habits and overall health.

Project 2:

Project Name	E-commerce website
Duration	2 months
Organization	KIIT University

Project Description: This project involves the development of an e-commerce website that enables customers to purchase products online. The website is designed to integrate with popular payment gateways and shipping providers, making it easy for customers to complete transactions and receive their orders in a timely manner.

Roles and Responsibilities:

- I designed and developed an e-commerce website using HTML, CSS, JavaScript, and PHP. I integrated the website with popular payment gateways like PayPal, Stripe, and Square to ensure secure and reliable transactions. I collaborated with clients or stakeholders to gather requirements and determine project goals. Overall, I used appropriate front-end and back-end technologies to create a user-friendly and secure e-commerce website.

PERSONAL STRENGTH

1. Attention to detail
2. Effective problem-solving skills
3. Strong analytical and critical thinking abilities
4. Ability to work independently and as part of a team
5. Strong communication skills, both verbal and written
6. Adaptability and willingness to learn new technologies and programming languages
7. Time management and organization skills
8. Creativity and innovation in finding solutions to complex problems
9. Ability to work well under pressure and meet deadlines
10. Dedication to producing high-quality code that meets the needs of clients or organizations.

PERSONAL PARTICULARS

Father's name : Kamal Narayan Sah
Date of Birth : 20/03/2003
Languages known : Nepali, English, Hindi
Residence Address : Kalyanpur, Saptari, Nepal

I hereby declare that the information furnished above is complete and true to the best of my knowledge.

Place: Bhubaneshwar, Odisha, India

Date: 20/04/2023
